ONE HOT SUMMER

FRIENDS FOR LIFE
SECRETS FOREVER!

A high-gloss romance starring Vanessa Marcil (Lipstick Jungle, Without a Trace) and Casper van Dien (Starship Troopers, Watch Over Me), based on the “crowd pleaser” (Publishers Weekly) novel by Carolina Garcia Aguilera

This summer, the classy, brassy, sun-drenched Miami of Margarita and her best friends is sizzling with sensuality. And success! The gorgeous, self-confident Miami lawyer has just been appointed partner in her law firm. Reason enough to celebrate with Annabel and Vivian, who are always just a phone call away from lunch, coffee and big heart-to-heart talks. After being feted by her colleagues, she goes home to find husband Ariel also in a festive mood: it's their fifth wedding anniversary and he hasn't forgotten! Is she on top of the world or not!? But then Ariel nearly ruins everything by bringing up a sore topic for Margarita: having a child. She did say she wanted to wait until she was named partner... The only relief from the baby pressure being made on her by Ariel and her mother is the return to Miami of her old flame Luther – a flame that can still light her fire... While her heart is set ablaze by the handsome Luther, her pals have to cope with major problems of their own: Annabel with her cheating husband and Vivian with her plan to adopt a blonde, blue-eyed baby girl. For these three ladies, there's a lot at stake in this one hot summer!
